A HOUSE OF HEALTHY REPUTE...Welcome to Lady Sallys, the House that is a home -- the internationally (hell, interplanetarily) notorious bordello. At Lady Sallys House, the customer doesnt necessarily come first: even the staff are genuinely enjoying themselves. Wife of time traveling bartender Mike Callahan, and employer of some of the most unusual and talented performing artists ever to work in the field of hedonic interface, Her Ladyship has designed her House to be an equal opportunity enjoyer, discreetly, tastefully and joyfully catering to all erotic tastes and fantasies, however unusual. Like her famous husband, Lady Sally doesnt even insist that her customers be human...as long as they have good manners. Small wonder, then, that she and her staff encounter beings as unique and memorable as the superhuman Colt, whose banner never, ever flags...Diana, the deadly dominatrix who cannot be disobeyed...Tony Donuts, the moronic man-monster even the Mafia doesnt want to mess with...or Charles, the werewolf with a distinct difference...
