

Bears, Born to be Wild

Product Description Discover unique insights into the lives of truly wild young bears! Karen and Kennan Ward have traveled worldwide to bring you this captivating collection of wild bears in their natural habitat. Each page has a new bear photograph and in depth description of how Grizzly, Polar, and Black bears find food, raise their young, and just have fun in the wild. A glossary is included to help young readers expand their natural history vocabulary. **About the Author** A former National Park Ranger, Kennan Ward has been photographing the natural world for over 30 years. Along with his wife Karen, they now travel each year for photographic assignments and run a successful publishing company, WildLight Press Inc. For this book, trips were made to California, Alaska, Canada, and Russia. Kennans photographs have been featured in many national and international publications including Sierra, National Geographic, National Parks, BBC, GeoAdo, Backpacker, Outdoor Photographer, Blue, Alaska, and Outside Magazine.
