

Loving a Colombian Cartel Thug

Loving a Colombiano means: hard love, crazy sex, emotions to the max... As teens, Rocky always wondered why her love wasn't enough to keep Lorenzo from traveling back and forth to his homeland; especially when his mom said their entire family died in a storm... Then, the love that seemed untouchable fell off. Fast-forward five years, Rocky is no longer Princess of the hood, with Renz as her nigga and bodyguard. Her heart barely beats. She only has one reason to survive... When their paths collide, Lorenzo fronts like he could put two slugs to her dome, no hesitation. Yet the sex is even more addicting. No matter how Lorenzo treats her, Rocky plays a deadly game, sneaking around behind her grimy Italian husband... Lorenzo is to inherit one of the most infamous cartels in the world. He's flooding the streets and annihilating the Italians. Renz is even chopping down snakes in his own team, to keep his familia and Rocky safe. One of Lorenzo's five younger sisters, Blu ends up a junky. Blu is cracked out, one finger on the trigger and the Glock pointed to her own head. Lorenzo will put her down before letting his familia go out like that. How will Rocky react to finding out Renz is a Colombian cartel thug? By now, is their off-and-on romance unshakable? Will Rocky and his familia still love him after the secrets and lies...
