

## Luvin A Certified Thug 3

Avery is missing, and Tasha is having a mental break while Dezzy and Chelseys lives are hanging on by a thread at the hand of Canan. Cameron is on lockdown because Justine couldnt leave well enough alone, while Lauren is struggling to make sense of the fact that Cameron has been taken away in handcuffs just hours after the birth of their daughter. Menken has to step up while Mic, Cameron and Canan are dealing with their life issues, just as his past catches up with him causing his life with Chy to quickly unravel. The Sands brothers are being pulled in every direction but the right one, and BCE is suffering because of it. To make matters worse, Marley has touched down and creating problems that need to be dealt with, causing Cali to have to make some tough choices about his son and the organization. Will the Sands come out on top or will their situations overpower and get the best of them?
