

Man-Kzin Wars XIII (Man-Kzin Wars Series Book 13)

Larry Niven's bestselling Man-Kzin series continues! The Kzin, formerly invincible conquerors of all they encountered, had a hard time dealing with their ignominious defeat by the leaf-eating humans. Some secretly hatched schemes for a rematch, others concentrated on gathering power within the Kzin hierarchy, and some shamefully cooperated with the contemptible humans, though often for hidden motives. In war and in uneasy peace, Kzin and humans continue their adventures with a masterful addition to the Man-Kzin Wars shared universe created by multiple New York Times best seller, incomparable tale-spinner, and Nebula- and five-time Hugo-Award-winner, Larry Niven. Stories by Jane Lindskold, Charles E. Gannon, and more. At the publishers request, this title is sold without DRM (Digital Rights Management). New York Times bestselling author and multiple award-winner Larry Niven is author of the Hugo and Nebula Award winning Ringworld, a novel recognized as a milestone in modern science fiction. Like Ringworld and its sequels, The Ringworld Engineers and The Ringworld Throne, the Man-Kzin books are part of the Known Space series, possibly the most popular SF series of all time.
