American author and humorist. Twain is most noted for his novels *Adventures of Huckleberry Finn*, which has since been called the Great American Novel, and *The Adventures of Tom Sawyer*. He is extensively quoted. During his lifetime, Twain became a friend to presidents, artists, industrialists and European royalty. Twain enjoyed immense public popularity. His keen wit and incisive satire earned him praise from both critics and peers. American author William Faulkner called Twain the father of American literature. Contents *The Innocents Abroad*, *Complete Roughing It*, *Complete Following the Equator*, *Complete A Tramp Abroad*, *Complete The Innocents Abroad*- This travel-book chronicles Twains pleasure cruise on board the chartered vessel *Quaker City* through Europe and the Holy Land with a group of religious pilgrims. Twain makes constant criticisms of various aspects of culture and society he meets while on his journey, some more serious than others, which gradually turn from witty and comedic to biting and bitter as he progresses closer to the Holy Land. *Roughing It*- Very funny travelogue of the authors voyage to and time in Nevada, San Francisco, and Hawaii. Full of satire about local originals. *Following the Equator*-*Following the Equator* documents Mark Twains journey around the world in 1897 as he visits Australia, Tasmania, New Zealand, India, the island of Mauritius and South Africa. Written at an interesting time, Twain reveals some of the haphazard problems to travel of the day, such as a Hawaiian Cholera outbreak that, regretfully, prevented his boat from letting passengers disembark on the islands. Twains wit and wisdom is on full display in the book as he adds an epigraph atop every chapter - a quote from *Puddnhead Wilsons New Calendar* : It is by the goodness of God that in our country we have those three unspeakable precious

things: freedom of speech, freedom of conscience, and the prudence never to practice either of them. A Tramp Abroad- This is a must read Mark Twain novel.
