

Micah Clarke (Illustrated)

This historical novel, first published in 1889, was Doyle's third book -- his first hardcover one, preceded only by the two paper-wrapped titles *A Study in Scarlet* and *The Mystery of Cloombur*. Micah Clarke was quite successful, running through several quick printings, though Doyle had to take it to numerous publishers before Andrew Lang at Longmans finally accepted it. Doyle brought together his knowledge of the seventeenth century and supplemented it with months of research on detail.
