

Miniature Gardens: Design and create miniature fairy gardens, dish gardens, terrariums and more—indoors and out

A revealing peek into the captivating world of gardening in miniature, complete with inspiring photos and practical step-by-step instructions. A delightful, fun, and endlessly creative new trend is sweeping the gardening world: miniature gardening! With your imagination as the only limit to this infinitely customizable technique, miniature gardening showcases your individuality. Once you've learned how to design, create, and grow tiny plant combinations successfully, you'll be able to let your creativity loose indoors and out. In *Miniature Gardens*, gardening expert Katie Elzer-Peters demonstrates the latest in plant options and designs through her gorgeous color photography and laser-focused Do-It-Yourself advice. Plenty of great tips and idea-generating information on small-scale furnishings are included as well. Where other books on this popular subject offer run-of-the-mill images and only limited how-to information, *Miniature Gardens* gives you a thorough and beautiful window into this tiny world, from fairy gardening to dish gardening, terrariums, and even a miniature water garden project. From cute home tabletop designs to elaborate mini-villages and everything in between, miniature gardening is a pastime that can be enjoyed by hobbyists and families of all ages and in all sizes of living space. With *Miniature Gardens*, you're just a lightning strike of inspiration away from bringing to life the endless creations unique to your own imagination.
