

Rich Life

Richard Rich Lewis is a street entrepreneur from the southside of Houston , Texas. His criminal endeavors eventually catch up with him, when hes set up by a childhood friend turned informant. During his bid in federal prison, Rich realizes that he would have to find another means to make money other than the dope game. Or risk facing a possible life sentence. Opportunity comes knocking when he meets and befriends Dingo, a Nigerian con artist with million dollar schemes. He opens Richs eyes and introduces him to the world of white collar hustling. Dingo takes Rich under his wing, and together they set out on a mission to get rich. Everything is all good until jealousy and envy comes between them. When that happens, they go from being close friends and business partners, to bitter rivals and sworn enemies. Rich quickly finds out that the white collar game isnt that much different than the dope game. Hes faced with the same drama he was faced with in his past life. Now he has to deal with a vengeful mentor and an ex-friend who wants him dead. All while juggling between two lovers who both want his affection. Ride shotgun on this fast paced rollercoaster ride and find out exactly what it means to live a Rich Life.
