

## Deadlocked 3 (Deadlocked Series)

The Deadlocked series continues as Billy heads into the city in search of his mother. During his quest, he will meet a strident military figure that will alter his journey and two brothers that will become his closest allies. However, his trip will endanger the family he has only just met, and he might not be able to save them. Billy's journey into the city will reveal many of the secrets of this penultimate novella. No characters are safe from the terror that has engulfed the city, and as the motives of those in charge begin to be revealed, the fate of all mankind will be in question.
