

Hit or Myth (Myth-Adventures Book 4)

Robert Asprins classic fantasy series, now available in eBook! With cover and interior illustrations by Phil Foglio! Identity Crisis ... Skeeve is just settling into his duties as Court Magician of Possiltum and his training as sorcerers apprentice to Aahz, his scaly green demon mentor, when Aahz is suddenly called back to his home dimension on family business. Skeeve figures he can handle things on his own for a while, but then King Roderick convinces Skeeve to use his powers of illusion to take the kings place while Roderick takes a little vacation. Thats when Hemlock, the ruthless, ambitious queen of a powerful neighboring nation, turns up to fulfill her part in an arranged marriage with Roderick. Skeeve realizes that Roderick has taken a powder, leaving the hapless magician in his place to marry his homicidal fiancée. As if dealing with a potential Black Widow isnt trouble enough, representatives of Skeeves old nemesis, the Mob, show up. Theyre determined to find out what happened to Big Julies army, which they sent in a previous attempt to conquer Possiltum. Without his mentors help, Skeeve must solve the problem of the Runaway King, protect himself from the ardor and the threat of the Killer Queen, and finally face the wrath of Don Bruce, the Mobs fairy godfatherwho makes Skeeve an offer he cant refuse! The Fairy Godfather ...

Wait a minute, Shai-ster said, holding up his hands. This is so far beyond my negotiating parameters that even if I liked what I saw, I couldnt approve the deal. I need to bring one of the Big Boys in on this decision. This was better than I had hoped. By the time he could bring one of the Mobs hierarchy to Possiltum, I could deal with some of my other problems. Fine. Go and fetch him. Ill hold the deal until your return. The spokesman gave one of his tight-lipped smiles. No need to wait, he said. My immediate superior is on call specifically for emergencies such as this.

Before I could frame a reply, he opened the front of his belt buckle and began rubbing it, all the while mumbling under his breath.

There was a quick flash of light, and an old, hairy-jowled man appeared in the room. Looking round, he spied the two bodyguards sprawled on the floor and gripped the sides of his face with his open hands in an exaggerated expression of horror. Mercy! he wheezed in a voice so hoarse I could barely understand him. Shai-ster, you bad boy. If there was trouble, you should have called me sooner. Oh, those poor, poor boys. The Mob spokesmans face was once again blank and impassive as he addressed me. Skeeve, Lord Magician of Possiltum, let me introduce Don Bruce, the Mobs fairy godfather.
