

The Enclave: A Science Fiction Action Adventure (The Verge Series Book 1)

If you are after a fast-paced, action driven story with a strong and memorable female lead, that will have you wanting to reach for the next book in the series...Then this is for you! The Enclave is like Mass Effect meets Call of Duty! Katherine Kirk lived only for vengeance Vengeance against the man who destroyed her home, her family and her life. Sent on a babysitting mission to Junter 3, RAN officer Katherine Kirk, finds herself quickly embroiled in the politics between the New Holland Government and the Val Myran refugees claiming asylum. After an Alliance attack, Kirk and her team hunt the enemy down and discover that they have finally found the lair of the man they have been searching for... And the captive who has been waiting patiently for rescue. What would you do to the man who destroyed every important person in your life?
