

600 Miles: A Post-Apocalyptic Adventure

BEWARE THE CITY OF LOST ANGELS! Civilization in America is over. Braving the desert wastes is a lone wanderer, his destination: the legendary ruins of Los Angeles, a place from which few have ever returned. Joined by a mysterious gunslinger, a hook-wielding Mexican warrior and a spirited Southern gal, the crumbling city eventually reveals to him not only his destiny, but the true nature of humankind.
