

Stealing the Shadow of Death (The Shadow Saga Book 2)

Murder...Mystery...Mummies...Magic...
When Queen Nefertitis oldest daughter, Merit-Aten, discovers that black sorcerers have murdered her grandmother and plan to mummify her in direct violation of spiritual and civil law, she vows to do whatever it takes to bring her grandmothers body home and lay her to rest under the loving rays of the Aten. But in order for her to do so--and to save her beloved grandmothers soul--she must face her deepest and deadliest fears...even though that means she must pass perilous initiations, compete against a powerful family member in a wild chariot race, witness an evil deviation of a sacred ritual, confront the Shadow People, and eventually unearth a terrible secret that shatters her illusion of death.
