

## easy Vegetarian Dinner for Students: Have You ever been frozen when ask to Host A Vegetarian Party (Vegetarian Recipes for Woman on the Move Book 2)

Have You ever been frozen when ask to Host A Vegetarian Party ? As a woman on the move , We all know the deal . Get up early , get the kids up and ready for for school , then yourself, make breakfast and then pack lunch even for the university students and husband, drop the kids and then straight to work. And then One might ask where is the time for the party ? But we vegetarians do party and also do vegetarian parties too.This Book is designed for Women on the Move who are also students or have their children in colleges or universities. The Vegetarian recipes contained here are simple to prepare,bold, tasty and delicious . It provides short vegetarian meals for students. Easy meals prepared for the student mum or a mum preparing meals for her children. The joy of this book is that it is written in a friendly way, fun loving , easily prepared and delicious to taste. The recipes may be popular but there are a few twist to it . They are short and straight to the point. It has a fully linked Table of Contents to provide guidance and easy location . Most of the recipes does not contain nutritional value like other celebrity diet books Woman on the move series gives you full step-by-step instructions for crafting Vegetarian dishes. It tries to capture the essence and struggles of the working woman and provide recipes that aid the life styles of the working women in all facets of their life . We do not claim to be perfect but we are always working to perfection. So get this book , get another for a friend , prepare those delicious and tasty meals and get that PARTY STARTED!
