

Blank 1-6

Theres a violence in me. My name is Lincoln Delabar. I was born without a face. Yes, you heard that right. Smooth, clear skin from my forehead to my chin. I see the world differently, yet it is still a place that holds wonder. At least most of the time. With my uniqueness comes a burden. My mind is powerful. Very powerful. And I have an obligation, a purpose, to see things in my own special way. Some of the things I see are frightening. The evil in this world is beyond anyones control. Or so you might think. There is a violence in me. Im not afraid. I can control it. But should I?
