

## Pakistani Appetizers and Snacks - 30 Authentic Pakistani Appetizer Recipes

Pakistan has a rich culture and glorious history in cooking. Mughal Muslim Emperors brought about a revolution in the way the people of Subcontinent (now comprising Pakistan and India) used to cook food. Lip smacking foods like seekh kebab, chicken/mutton tikka, etc. have their roots in the cooking methodology liked by these emperors whose recipes are passed down from generations. Persian cuisine has also a deep effect on the eating style of people of this region. Spices and nuts also form a distinct part of the mouthwatering food dishes of Pakistan. Some of the foods like seekh kebabs, shami kebabs, minced meat samosas, chicken rolls, etc. tastes divine when freshly cooked but can also freeze very well both cooked and uncooked. While some of the items especially pakoras, potato samosa, etc. tastes scrumptious when freshly made but they do not freeze very well. This Book is about Pakistani appetizers and snacks. All the recipes contained therein are tried and tested recipes. Do not forget to give Pakistani food, in general, and recipes of this book, in particular, a try. You will surely love it! If you're big fan of Indian food, you don't want to miss this book.
