

Recovery Man: A Retrieval Artist Novel (Rusch)

On Jupiters moon, Callisto, a mysterious Recovery Man kidnaps Rhonda Shindo after he terrorizes and then abandons her brilliant 13-year-old daughter, Talia. While authorities on Callisto search for Rhonda, her employers at the Aleyd Corporation try to gain custody of Talia. Somehow, Callisto authorities realize, shes part of the crime, even though she was left behind. Meanwhile, Miles Flint is having a crisis of his own. In his murdered mentors files lies a long-held secret, one that could change his life. His investigation of the secret leads him to the Aleyd Corporation, into the middle of the search for Rhonda Shindo, and to a case that threatens the entire legal system that enables the Earth Alliance to function.
