

Parables From The Apocalypse: A Dystopian Fiction ~ Volumes 1-5

Book #1 in the Parables From The Apocalypse series Mankind is losing their biggest war ever. The one war they cant afford to lose. Decorated war hero Colonel Chaz Sheperd wasnt used to being beat, and this time it wasnt just the enemy making his life miserable. With even his family turning on him, hed have to make some hard choices. Knowing where his loyalties lay wasnt as easy as it used to be. In a crumbling world trusted alliances were essential but fleeting. Chaz would find answers where he least expected. Answers not only for him, but the entire planet.

Book #2 in the Parables From The Apocalypse series Things havent gotten much better for Colonel Chaz Sheperd, but at least now he has some friends to blame his problems on. Chaz has a plan for saving the world, but he needs the help of his companions to carry it off. Can a twelve year old girl, a rookie soldier and a battle weary war hero save the planet? Things are changing faster than anyone realizes, and Chazs new found companions are not all they appear to be. The question is, who is Chaz willing to sacrifice to give human kind a chance for survival? This time, even the enemy isnt who he thought it was.

Book #3 in the Parables From The Apocalypse series Colonel Chaz Sheperd is tired of fighting, but the war rages on. Civilization teeters on the brink of collapse, and the zombie freaks are growing in strength. Chaz has done everything asked of him, but he can no longer protect the people he cares about. The leaders of a secret bunker hold the final solution for beating back the freaks, but not before Chaz makes one more sacrifice. The young girl Christa saved his life once, and is now key to the final solution. Chaz must decide where his loyalties lie and who to trust if hes going to save civilization. Against a backdrop of shifting political powers and mutating freaks three individuals will make choices

that determine the fate of an entire planet. Book #4 in the Parables From The Apocalypse series The Zombie Wars are over, but the Americas is still an unjust place. In a world of fallen heroes who will stand to fight for justice? Christa, no longer a little girl fights a battle no one wants her to win. Once her old allies realize what shes done, shell have a hard time separating friend from foe. A world full of high tech drugs, enslaved zombies and totalitarian computer governments is a world desperately in need of saving. Book #5 in the Parables From The Apocalypse series Its time for Leekasha to take her place in the world, but shes not sure where that is until some old friends step in to guide her. As much as some want her to succeed, there are just as many with a vested interest in maintaining the status quo. The planet has become a more dangerous place for zombies since the war ended, but it doesnt have to be. The question is what will Leekasha sacrifice to make it right?
