

The Wrath of Yellowstone (Preppers Fiction): In the Midst of the Volcanic Winter, Only the Strong Survive

After The Yellowstone Super Volcano Erupted, The Ash it Released Has Completely Blocked Out the Sun, Triggering A Deathly Global Volcanic Winter The Volcanic winter has begun. In the second book of The Wrath of Yellowstone trilogy, Chad is forced to dig deep within himself to deal with major emotional trauma. His wife, Lynn, is missing and it is his duty to find her. Lynn has her own obstacles to overcome and she is thrown into intense grieving when her children are killed in front her. Her captor is a soulless psychopath who will do whatever it takes to survive. The earth has become a desolate and cold place, one where only the strong can survive While Chad and Todd search for their friends and family they endure many harsh experiences. They have both completely changed as people and they must work together if they want to find their family and survive the volcanic apocalypse. Will Chad and Todd survive long enough to find their friends and family, or will they succumb to the elements? The choice may not be in their hands at all
