

## Over Watch 01 (SPARTAN RISING TRILOGY Book 2)

A dark gritty descent into chaos as the Spartans react to enemies encroaching from every side. With nowhere to run to, nor to hide, the Spartans under Stan Gough, Spartan 01, turn to what they know best: Overwhelming violence. Set in the aftermath of a catastrophic betrayal, the book follows the teams as they gather for war, and more importantly, for personal revenge.
