

Preppers Crucible-Volume Two: A Post Apocalyptic Tale

Preppers Crucible 2 reached top 10 status in 3 Amazon categories Readers Praise for Preppers Crucible Volume One. Amazing! Read this in one day. It keeps the attention and I cant wait for the next part. I hope it comes out soon. Great short story. Im already looking forward to the next two stories. Great character development. Bobby Andrews is a very good writer. The story kept me glued from the first page to last. In volume two, our Preppers work to consolidate their sanctuary at the ranch. They manage to restore power and water, and encounter several deadly situations in the course of defending themselves, and their neighbors. The group grows, as they include Cory, a Park Ranger they met during their bug out to the ranch, and his family. Ben, an elderly neighbor, is brought into the fold as well. Don, the groups informal leader, struggles with balancing his protective instincts toward the group, with the need to cede power to each of its members. Follow along as the world around them descends into chaos, and they struggle to cope with a world gone mad.
