

Sword of the Gods: Prince of Tyre (Sword of the Gods Saga Book 2)

At the dawn of time, two ancient adversaries battled for control of Earth. One man rose to stand at humanity's side. A man whose name we still remember today. The legend about the greatest superhero to ever walk the Earth continues in Prince of Tyre. Mikhail has a new mission: train the warriors to fight back against the mysterious kidnappings so his adopted village will be safe for Ninsianna and their expected child. But the journey from soldier to general is never easy, especially when the Chief's son undermines his authority. Challenges compound when they learn lizard demons have put a bounty on Mikhail's head. In heaven, rumors of a cure to stave off extinction winds its way through the Emperor's armies. Raphael is charged with finding this Holy Grail, unaware the solution lies closer to home. The Eternal Emperor and Shaytan are so busy outwitting one another that neither notices Lucifer is a little off or that a much more ancient Evil One outmaneuvers them.

A tragic death forces the Alliance to choose which leader they will follow in an epic showdown. The Emperor or Lucifer? Note: this book is NOT Christian fiction. Other books in this series: The Chosen One Prince of Tyre Agents of Ki The Dark Lords Vessel (coming soon)
