

Ecosystem observation and research data set of lakes and wetlands to the Gulf ecosystem volume: Shandong Jiaozhou Bay station (1999-2006) [Paperback]

Paperback. Pub Date: 2010 08 Pages: 223 Language: Chinese in Publisher: China Agriculture Press Jiaozhou Bay marine ecosystem research station was founded in 1981. formerly known as a testing ground for Huangdao mariculture. 1986 was renamed as the station of Huangdao breeding experiments. After the formation of the Chinese Ecosystem Research Network (CERN), the site in 1991 to become one of the observation station CERN29 a long-term field positioning, renamed Jiaozhou Bay Ecosystem Research Station. is the only temperate waters set monitoring, research and demonstration integrated ecosystem research station. 2005 was approved by the Ministry of Science and Technology Research Station of the Chinese national ecosystem, officially named Shandong Jiaozhou Bay marine ecosystem national field of scientific observation station. Contents: Foreword Preface Chapter 1 Introduction 1....
