

## Reapers (The Reapers Trilogy Book 1)

Reapers, the first book in The Reapers Trilogy, is a dystopian tale with a supernatural twist. Taking place in a futuristic, urban setting, this first book in a planned trilogy will appeal to readers of The Hunger Games and similar fast-paced stories for young adults. Along with a blend of real life and imagination, it delivers action, danger, and suspense through the adventures of three teenagers Phoenix, Singapore, and Shanghai Reapers who collect the souls of the dying or already dead and transport them to the Gateway where they will travel to their final destination ... or so they are told.
