

Sit-ups of the Space Marines and 12 other stories

Mr. Smith has been published more than 100 times with stories featured in the following publications: Bewildering Stories, Nightmares Magazine, Scared Naked Magazine, The Midnight Gallery, Lullaby Hearse, Apocalypse Fiction, Dimensions Magazine, Starblade 13 Stories, Jupiter Magazine (UK) and others. One of the stories in this collection was nominated as; Best story on the web a few years back. Just a reminder these are not horror stories. A collection of Mr. Smith's horror stories is coming but these are other items and tend towards fantasy and humor. I will say if you liked the original 300 Spartans better than the remake. If you would have jumped in and helped Shane while he was fighting in that bar. If you've looked at the stars and wondered what they might look like if you had on 3-D glasses, then these stories are for you.
