

Daniel Boone Redivivus 181

Love Philip Jose Farmer? Worship Arthur C. Clarke? Youve come to the right e-Book then! Reincarnated via 22nd century technology, Daniel Boone 181 leaves Earth for a pioneering adventure of discovery, despair and daring populating a new world filled with excitement, dangers and perils both from the human colonists and the strange alien wildlife. Come along as he tries to deal with a future into which he was unwillingly forced. Using his legendary exploring abilities against an alien world full of wonderful wild flora and deadly bizarre creatures he also battles the colonists who favor cloning and the slave culture it created. Struggling for survival on this new planet creates circumstances where the pros and cons of cloning are examined with a relevance to todays questions about the possibilities of human cloning.
