

Idiopathic Condition Red

A collection of 15 stories from the genres of crime, horror, dark fantasy, warped SF and the downright bizarre. Includes collaborations with Des Lewis (urban degeneracy) and Alex Johnson (body art in Guatemala). Other stories include 17th century Portuguese lost in a 21st century rave, cops infatuated with a murderess in Bangladesh, an alien hotel, carnivorous seduction, a rather weird English pub, a torturers descent into Hell, and a cyber-inspired apocalypse from Goa. And then there are the other six.....
