

Saved: How an English Village Fought for Its Future... and Won

Review...a revelatory account of how the power and instant communication facilities of the internet can change the face of modern democracy. Best of British David Hewson writes thrillers. Saved is a real life thriller, exposing the sham of local democracy. A must for all those wanting to save their countryside and communities from the concrete mixers and the planning fixers. -- Robin Page, Countryside writer and broadcaster
Product Description
SAVED is the inside story of one of the biggest environmental campaign victories in recent years. Its the entertaining and occasionally shocking David and Goliath story of how a small village defeated a GBP1 billion plan to concrete over some of the most protected countryside in England.
