

Schlock! Webzine Vol. 8, Issue 9

This week sees the beginning of a two-part of occult horror in Oregon, followed by a story of voodoo that goes from its natural habitat of New Orleans to the back streets of North London. In Part Four of Bloodkraft, we reencounter the Dethwyng. In Sean Mulroys Duendel, a Greek goatherd meets a strange woman who gives him an enigmatic task. Gregory KH Bryant whisks us away to the moons of Uranus and an afterlife of Ceaseless Jade. Dave Ludford has a tale of revenge. And Grey Matter Press introduce us to their latest horror suspense offering, Mister White. Meanwhile, in The Jewel of the Seven Stars, we learn of the result of Mr. Trelawnys Egyptological expeditions, while the Connecticut Yankee shelters from the storm with the demoiselle Alisande.
