

Scorn of Angels (The Descended Book 2)

Creation is Doomed Nyx, Queen of Hell, lies broken and burning in a box at the bottom of the Lake of Fire, put there but her lover Tribunal, who is Gods Son. Nyxs daughter Epiphonia, has been slaughtered by Tribunal and Lucifer. Her companions, Persephone and Ishtar, were captured and are now suffering unspeakable torture. Lucifer, one Nyxs second-in-command, has taken over Hell and is ruling with a depraved will and an iron fist. And on Earth, Arcana, Angel of Heaven, has arrived a thousand years too late. And that isnt even the worst of it. Tribunal is going to destroy the human race, if he can keep God from noticing. Hes already building a wall of illusion to hide creation from the eyes of God. And when that wall is complete, Tribunal will order Lucifer to take his Descended Angels and destroy all of humanity. And thats just for a start. Now the Angels in Heaven and the Queen of Hell must join forces to defeat a greater power than any of them have ever faced, and at stake is the very existence of Creation, and of God himself!
