

She Dont Deserve The Dick

MONIQUE MATTHEWS, a twenty-three year old girl from Jersey, feels her beauty and sex appeal entitles her to anything she wants, and shes on the prowl to find a baller to sponsor those insatiable desires. But sometimes Moniques determination to hook a boss comes off as thirsty. When the men are exposed to the real woman underneath all of that lusciousness, they quickly realize that not only does she not deserve their money and time, SHE DONT DESERVE THE DICK, either. Moniques bestie, PASSION SIMMONS, is the total opposite. Shes single and ambitious. She has her own house, car, job and a steady cash flow. In spite of their different personalities and outlooks on life, Monique and Passion are joined at the hip by a 13 year friendship that makes them inseparable until he comes along. Smooth, sexy and hard-working TAY ROC enters the picture, placing both Monique and Passion under his spell, but only one of them can capture his heart. When loving a man of Tay Rocs caliber is at stake, these two friends suddenly become enemies who will stop at nothing to eliminate the other from the competition. Now its no longer about who deserves the dick, its about who deserves to die. Will it be the lecherous Monique or good girl Passion, who only wants peace.
