

## Red Unicorn

The exciting sequel to Black Unicorn and Gold Unicorn! The young wanderer Tanaquil can mend anything that is broken - except her own heart. With the engagement of her beloved Honj to her sister, Empress Lizra, she returns home to her sorcerous mother - and her mother's new lover, the magician Worabex. Caught up in their combined magic, Tanaquil and her mischievous familiar - a literal pet peeve - find themselves in a parallel world where she meets Tanakil, a mirror-image princess with murder on her mind.
