

Small Plot, Big Harvest

Aimed at both urban and suburban gardeners with small plots, who want to be part of the grow-your-own phenomenon, *Small Plot, Big Harvest* celebrates what the vast majority of people have a little bit of patio or garden that is precious to them. With at-a-glance crop planners, step-by-step gardening techniques such as preparing soil, sowing, planting, watering, feeding, and growing under cover and instructions and charts showing when to sow and when to harvest, *Small Plot, Big Harvest* brings foolproof vegetable growing for gardeners with little space.
