

The Master of Time: The Benevolent Thief

Dianji Cervantes was a man who grew up in dire poverty. His parents came from straight across the Mexican border while America was facing a bad economic situation. He grew up in a hard way. He became a philanthropist as a young adult. One fateful evening, Dianji attempted to rob a diamond store so he could fence the jewels, and make large donations all over the country. His heist failed and his life was shattered after his prison term was up. However, a mysterious man calling himself The Master of Time offers to send Dianji back to the day before the heist to fix his life. But gambling with The Master of Time is a very dangerous activity...
