

Societys Collapse: A Long Road Ahead (Volume 2)

The power is out. No cell phones, computers or cars. Agents of the Government are detaining people in prison camps. How would you survive? Follow Jason and James as their adventure into this dark world continues and the plot gets deeper. Jeremy Lock is the author of the popular dystopian fiction book, Societys Collapse: The Bug Out. The book series is a fictional adventure following a group of regular people trying to survive in the United States after elements of the Government use an EMP attack to overthrow America and establish a new, worldwide government.
