

The Dimension Thieves: Episodes 4-6 (The Dimension Series) (Volume 2)

In this second installment of The Dimension Thieves, the crew of the Karolina Nine continue on their desperate mission to acquire the materials needed to build an Antidote Mechanism, the machine that can reverse the droning on their home planet of Antythera. But on this next leg of the journey, Force and his untrustworthy crew enter a harrowing dimension filled with dragons and meet some familiar faces that turn their lives inside out. Every crew member has a secret they don't want told, but with such a sketchy group aboard, secrets are increasingly hard to keep. Twists and turns, shocking discoveries, and dirty little secrets abound in this action-packed trilogy of episodes.
