

The Adventures of Huckleberry Finn

Mark Twains The Adventures of Huckleberry Finn is widely regarded as not only one of the finest American novels, but one of the greatest novels in all of human history. Hucks story of floating down the Mississippi river with the runaway slave, Jim, was a revelation when it was first published, and still moving and timely today. H. L. Mencken said his discovery of Hucks story was the most stupendous event of my whole life; Ernest Hemingway claimed all modern American literature stems from this one book. T. S. Eliot called Huck one of the permanent symbolic figures of fiction, not unworthy to take a place with Ulysses, Faust, Don Quixote, Don Juan, Hamlet. The Adventures of Huckleberry Finn is an absolutely unforgettable reading experience that every person should enjoy.
