

## Nursing Diagnosis Reference Disk

This electronically quick reference offers the fastest way to master and write care plans. Includes more than 330 complete, customizable care plans all in a user-friendly Windows interface. Each care plan includes NANDA-approved nursing diagnosis and related-to statement, assessment criteria and defining characteristics, associated medical diagnosis, expected outcomes, interventions with rationales, evaluations for expected outcomes, and documented guidelines. And care plans are indexed 3 ways for quick access by nursing diagnosis, medical diagnosis, and type of patient.
