

Standing Wave: A Science Fiction Novel

What was the light that mazed every minds eye? What has brought a flying mountain top home from the stars, and sent investigators into the orbital habitats floating above Earth? How is this connected to a living fossil fungus--or to a dead madman--or to the fate of the planet? Whoever discovers the answers to these questions--FIRST--will decide the ultimate fate of the Earth--and all humanity! An imaginative tour de force.

Hard science fiction - Wikipedia Listen to Standing Wave Audiobook by Howard V. Hendrix, narrated by Joseph Scott Anthony. Standing Wave: A Science Fiction Novel.
