

Star Trek IV: The Voyage Home (Adapted)

Their ship destroyed and their captain facing charges that could end his career, the men and woman of the Enterprise head home - to a planet Earth on the verge of extinction! An alien space probe has begun to destroy the atmosphere and threaten all forms of life. Somewhere in the 20th century is the key to the probes deadly fury. Kirk and his crew must make a desperate journey into the past - to save the only hope of the future.
