

## Death Match: Sten Omnibus 3: Numbers 7 & 8 in series

DIPLOMACY IS OVERRATED Soldier, Imperial bodyguard, Fleet Captain, Prisoner of War - Sten has been many things in his long career, but there's one thing he's never been - a diplomat. But when the Emperor sends Sten to the Altaic Cluster to support its dictator in quelling a civil war, a diplomat is exactly what Sten must be. As the war intensifies, he begins to suspect he's up against something more than a local disturbance. Someone - operating in deep cover and seemingly backed by the highest authorities - is working behind the scenes to escalate disaster. And that someone wants nothing more than to see Sten dead ... This omnibus contains the novels *VORTEX* and *EMPIRES END*.
