

STL Finest

Kesha, Tosha, Staci, and Shynedra all became friends because they have a few things in common. Dysfunctional parents, hard life, love for sex and money. These four women form a crew known as STL FINEST. If you want to walk around with these ladies on your arm, or roll in the hay. You have to pay to play. They all vowed to get money. They didnt fuck with love because none of them knew what that was. Who is Kurt? Will he invade the crew with love? Who is Johnny? Can you play with a women heart and feeling then leave? Who is Mark? Why do people see things other cant see? Is it okay to set nigga up take their money? Will on too many rob cost your life? Where did Dallas come from? How much sex is too much? Is sex deadly? Would you jail time for your besties? How many years 1,4, maybe 10? I know these some hard ass questions. Stop guessing and read the damn book.
