

## The Trees Bleed Sweetness: A Tanka Narrative

A tanka sequence that tells the story of a Native American woman. These poems convey the physical and emotional texture of her life from childhood into old age through vivid natural imagery and the inner voice of this wonderfully imagined persona. Already called a minor classic, this book will delight not only readers attuned to the tanka genre, but all lovers of fine poetry. 60 pp., perfect-bound, 5 illustrations by Walter Cudnohufsky.
