

# True Lies: A Guide to Reading Faces, Interpreting Body Language and Detecting Deception in the Real World

A man stands between you and your car; arms folded, legs apart, with narrowed eyes glaring at you with tightened lips. Are you in danger? A woman smiles at you from across the bar and moves her drink to one side. Was that an invitation? Your teenager comes home late and explains with hands in pockets and a single shoulder shrug how someone else damaged the car. Are you being lied to? If you deal with people in ANY way, then this book is for you. Open this book to take a step towards improving your understanding of people and your relationships. Learn how to read faces, interpret body language and avoid deception through this easy-to-read guide. True Lies includes: - A guide to the seven universal facial expressions. - All you will ever need to know about body language & gestures. - How to avoid misinterpretations & improve communication. - The three researched steps to detecting deception. - Proven techniques to improve interviewing skills. - Plus much more!
