

Sussed and Streetwise: A Teenagers Guide

Everyone should know how to avoid danger and deal with trouble. Inside you'll find everything you need to know at once. Simple safety precautions - at home, on dates, getting from place to place, and when you are out and about... Handling dodgy situations - how to say no when a date wants to go further than you, or the person giving you a lift home has been drinking; what to do if you're being followed ... Coping with hassle - from dealing with wolf whistles and cat calls to bullying at school. And the lowdown on avoiding being a victim of crime ... With all this, plus loads of information on ways you can boost your confidence, Sussed and Streetwise is the ultimate teenagers guide to staying safe.... a witty, light-hearted guide for young teenagers. Daily MSex: How? Why? When? One of the best books I've seen on the subject. Womans Own
