Before there was a Shogun, Before there was a Journey, there was a Story. Fascinating, Exotic, Original Fantasy! - Jennifer Quail, Strange Roads  
SWALLOWTAIL & SWORD is a collection of short stories based on the characters from TO JOURNEY IN THE YEAR OF THE TIGER. From Lings first hour as Empress to Solomons last hour in the world of men, these are the events that shaped them, molded them, set them on the Road to PolLhasa and its high winged courts. These are the stories of the Captain and the Geomancer, the Scholar and the Alchemist, the Major and the Priest, the Empress and the Ancestor in their lives before they came together to change the world.
