

Swan Song

The Eris Freedom Initiative brought Ryan Jenkins back to life to use him as propaganda. No one expected him to become the leader of a revolution. Two months after the events of Phoenix Rising, Earth and the seven remaining asteroids in orbit are divided in a bloody revolution. The Earth Freedom Initiative fights in the shadows and undermines the Trade Union at every turn, bolstered by the Fall of Eris and the leadership of Ryan Jenkins. However, it seems Jasper Montgomery and his Trade Union still have the upper hand. The streets of Babylon are filled with EOSF officers and the media is controlled by the men in power. Without drastic changes and operations, the EFI will become just another failed insurgency. Ryan cannot let that happen. After all, he has an entire world to avenge. Swan Song is the last book in Kevin Kauffmann's Icarus Trilogy, concluding the tale of Ryan Jenkins and the soldiers from Eris. Focusing on themes of truth, perception and parenthood, the novel shows the last days of the war to free humanity. The only issue is living to see it happen.
