

## The 500 Best-Value Wines in the LCBO 2013: Updated Fifth Edition with over 150 New Wines!

Rod Phillips has spent another year tasting and rating the wines on the shelves of the LCBO. Now in its 5th edition, *The 500 Best-Value Wines in the LCBO* is a proven seller. The book rates wines on a five-star scale, provides concise no-nonsense descriptions, and suggests food pairings for each wine. It also provides space to add your own notes after you've tried Rod's suggestions. This book promises to be wine stained, marked up, and dog eared. No wine consumer in the LCBO will want to head to the store without this definitive guide. This year, Rod has added an entire section completely devoted to the best-value reislings available. With updated information and researched additions, the 2013 edition is the most comprehensive LCBO wine guide there is. Bottoms up!
