

The Aethers of Mars

Solid.Publishers Weekly Welcome to Mars circa 1900. Cecil Rhodes rules Mars and is on his way to transforming the British Empire into his vision of a powerful force, managed by the right type of people. But what of Savinkov presumably on board the British aethership Agincourt, travelling from Earth to Mars? Savinkov is a legendary revolutionary and assassin and, with Russian secret agents hot on his heels, is reputedly planning something truly dramatic and Mars-shattering.
